July 16th after worship service

Called according to His purpose

For more information, please call Bill Scanlan @ 927.6080

A note from Reverend Phil...

I do not understand what I do. For what I want to do I do not do, but what I hate I do. And if I do what I do not want to do, I agree that the law is good. As it is, it is no longer I myself who do it, but it is sin living in me. For I know that good itself does not dwell in me, that is, in my sinful nature. For I have the desire to do what is good, but I cannot carry it out.

(Romans 7:14-15)

Just as Paul laments in his letter to the church in Rome 2000 years ago, we still echo this sentiment even today. We all have good intentions. We all want to live lives of value in the Kingdom, but we also live lives that are full of other distractions that yearn for our attention. It's not like it's selfish, we are just a busy people. Yet as we are learning in our study series from Ephesians on Sunday mornings, this is not God's intent for us as his people. The Body of Christ, the church, is called to live into Jesus image in the world expanding on the Kingdom Footprint here in Manchester, and beyond. But it all feels so overwhelming! How can we make a Kingdom difference when the world seems to have so many needs, such an overwhelming number of the least, lost, and hopeless. If we were on our own, it would be overwhelming, but we are not alone. We are a part of the body of Christ, we are called to be one part of the body, made up of many parts. At other times, it is enough to be the part of the body known as Manchester UMC. Other times it may be enough to be called as the United Methodist Church... And at times the call may be for all of the body of Christ encompassing all the Christian denominations. But no matter the size of the call, it all begins, and hinges on the obedience of us as individual believers. So what can we do?

On July 16th at the end of our Ephesians study, we are going to end service early to leave time for everyone to go upstairs to the ministry fair hosted by our Single Board. Each ministry will be represented by their chair and members of their work teams. This will be a time to wander through the displays and talk to the chairs and team members about the ministry we are doing, to see if there is a place where you feel called. Also, it is a time of wonder as we dream together of new ministry opportunities that are not yet realized. I feel the Spirit moving in this church, and I know that we together as the Body of Christ empowered by the Holy Spirit can accomplish anything! What dreams do we have that will increase the Kingdom footprint here in Manchester? What desires does God wish to accomplish here in this place through this body?

Peace

MUMC Single Board Meeting
June 20, 2017
Wesley Hall - 6:00 p.m.

Chairperson Al Remling called the meeting to order at 6:00 p.m. He led us in the Call to Worship which was an Affirmation from Timothy. Al encouraged us to read 1 and 2 Timothy as these books are as inspiring for us today as they were when written. Sound teaching is necessary for a healthy church and strong leaders are an example of Godliness.

Prayers and praises were lifted up followed by a moment of silence and a prayer for guidance led by Al.

Finance reported that as of the end of May all bills are paid and we have a surplus going into the summer. The recommendation from Finance to wait until the July meeting and further discussion to pay our next installment of apportionments was approved as presented.

Trustees said the carpet squares for the hallway behind the sanctuary will be installed soon by Jason Kluesner. The garden team has been allowed \$200 from trustees for mulch and/or plants for the landscaping and flower garden.

Missions are working on the garden boxes and are hoping to plant a salsa garden for this year with plans for square foot gardening projects for next year.

Reaching and Receiving are working on their plans for a fair float in the July 10 parade and are looking for people to work the fair gate one evening. T-shirts have arrived and are being sold for \$10.00 and mugs are still available for \$6.00. These have been selling well.

Education reminded us that VBS is rapidly approaching and the safe sanctuary policy is tabled for another month.

Congregational Care has been having health checks after church a couple times a month and have been providing household goods and/or medical equipment for those in need. A Christian grief support group is being offered and training for those wanting to help with visiting shut-ins etc. has begun.

Al asked everyone to prioritize their wants and needs for next year so the new budgeting process can begin.

Pastor made some brief comments on Annual Conference with more to follow.

Our next meeting will be at 6:00 p.m. in Wesley Hall on Tuesday, July 18. We closed with the Lord's prayer and singing of the Doxology,

Respectfully Submitted,

Jean Gross

Single Board Secretary

My child will be walking/biking home unaccompanied: YES / NO

May we photograph your child and display their pictures in our church and newsletter? YES / NO

Are you willing to volunteer during our week of VBS? YES / NO

Each family will be given a CD of the VBS songs at the end of the week!

Prayers For

At our initial planning meeting in April, volunteers were asked why they participate in VBS. Based on those responses, please pray for our VBS:

- ◇ Thank God for this opportunity to serve our community by providing positive and fun activities for our children during the summer.
- ◇ Thank God for the relationships built between the students, the students and volunteers, and the volunteers themselves. Thank God for all the grandchildren spending time with their grandparents during VBS week.
- ◇ Ask God to bless our VBS as we share His love with the students and their families.
- ◇ Ask God to bless and protect the volunteers who are sharing their gifts with these children.
- ◇ Ask God to give each of the volunteers the right words to use to help the children understand the stories and lessons as we share His gospel.
- ◇ Ask God to give us all patience and strength as we work with one another during VBS.
- ◇ Ask God to open the hearts and minds of those children who do not know Him that they may experience His love, and for those children (and adults) who already know God, ask Him to renew their excitement about sharing their faith.
- ◇ Ask God to bless all the ministries of our church, that this may be a place for these children and their families to come and grow in their faith even after VBS is over.
- ◇ Thank God for the partnership with the congregation at First Presbyterian Church as we share our resources to serve our community.

Pour Out God's Love

As part of Maker Fun Factory VBS, our church will participate in an Operation Kid-to-Kid™ mission project that gives kids the opportunity to help children in remote villages of Peru have access to safe, clean drinking water. This year, hundreds of thousands of children attending VBS will raise money to help dig wells in small jungle villages throughout the rainforests of Peru. Not only will donations fund effective wells, but the dollars will also allow teams to share the life-changing message of God's love and forgiveness.

For only \$5, a child in Peru can have clean water for an entire year! During Maker Fun Factory VBS, kids will have the opportunity to drop donations into our "Clean Water for Peru" display. As the coins and bills stack up, they'll reach the picture of the Peruvian children at the top of the display.

If you would like to contribute to this exciting program or have questions about Operation Kid-to-Kid, please contact

Stephanie Stocks

Team Aubree JDRF Walk

Aubree was diagnosed with Type One Diabetes on September 7, 2016. It was about a week after her first birthday we had noticed she was coming down with a cold and took her to the doctor where we found out she had strep throat. She was put on antibiotics to treat it but after a few days she had started to vomiting after eating and eventually wasn't able to keep doing fluids either. We took her back to the doctor where they thought her medicine just wasn't doing the job so they changed her antibiotic and sent us home. Within the next day or two she was sleeping the majority of the day and not keeping anything in her stomach so we then took her to the emergency room because we knew something wasn't right. They did lab work where they determined her blood sugars were in the upper 400s and they said they would be transferring us to UIHC. Aubree spent 3 days in the pediatric ICU where she was properly diagnosed with T1D. It was a very scary and emotion week for Corey and I as we had so much information thrown at us that we would now need to know to care for our child. After 3 days she was moved out of ICU to the pediatric inpatient floor where we stayed for the rest of the week until we were able to come home. To manage Aubree's blood sugars we have to count every carb she puts in her body to determine how much insulin we give her. She wears a continuous glucose monitor that tells us her blood sugars on the receiver or it sends the numbers to our phones. The nice thing about the CGM is it saves us from having to poke her fingers as much, going from 10-15 pokes a day down to 5. For the first 6 months we administered Insulin with shots multiple times a day. In January we started her on an insulin pump that we insert into her skin once every other day, then we administer insulin from a remote after every meal and snack she eats. It cuts back significantly on the pokes and it better manages her blood sugars because we are able to get a more accurate dose drawn up with the pump compared to a syringe. Her Endocrinologist is very happy with how well she is doing since diagnosed and love how much she is growing. Every 3 months we go to Iowa City to have her A1C drawn which is an average of her blood sugar over 3 months and they are very happy with where that is as well for her age. We can't thank everyone enough for the constant prayers and support for our family, we are so grateful to everyone who raised money for Team Aubree for the JDRF walk as well! Hopefully in the near future we can turn Type One into Type None!

Scrip news!

The article below was taken from ShopWithScrip's Facebook page. Good info!

"Awesome scrip shopper story: ShopWithScrip customer, Laura, figured out just how much money she has raised with scrip compared to what her credit card rewards could get her. In less than a year, she raised \$780, and her credit card would have only given her \$317. That means she raised \$464 more with scrip and fundraised for her niece's school at the same time!

Laura Berndt

This is why I use scrip for everything. In less than a year I've helped raise over \$780 and haven't spent a dime more than I would have if I used my credit card. So I don't get the points, oh well. I'd rather help out my niece's school instead.

Scrip offers a higher % on several of the gift cards that I use on a weekly basis. If you have the opportunity to help out a school or organization by buying scrip, I recommend doing so. It's a win-win for everyone."

This is how all of you who support our scrip program are helping our church! In 2016 we turned over \$6513.20 in profits to MUMC, \$5000 to the general budget and \$1513.50 to education. You ARE making a difference!

Your 2017 scrip team is Carol Dighton, Kathy Evarts (chair), Linda Gearhart, Alice Kluesner, Erin Learn, Chris Mundy (scrip ordering), Roger Mueller, and Vicki Spellerberg (bookkeeping).

Gift cards are available

Sundays: before & after church services // Wednesday: 5:00-6:00p, before WOW service

July & August 2017
