A note from Reverend Phil...

Everyone knows the story of Jesus meeting the Samaritan woman at the well. He reveals Himself as the Messiah, and she runs into town proclaiming the grace she has come to know from the Son of God. What few people pay attention to is the scripture that follows along right after this powerful story of God's acceptance and grace.

The Disciples return with food, and though surprised, did not question Jesus about why would He speak to a Samaritan woman but instead they offered Jesus some lunch. Jesus declines the food saying his needs have been satisfied by a source they do not understand. The Disciples wonder if the woman had given him something to eat, but Jesus tells them:

***"My food," said Jesus, "is to do the will of him who sent me and to finish his work. Don't you have a saying, 'It's still four months until harvest'? I tell you, open your eyes and look at the fields! They are ripe for harvest."* (John 4:34-35)**

Jesus' needs have been met by doing God's work. What does this mean, how does it work? It reminds me of a story when I led a mission team to Mississippi after hurricane Katrina in 2006. One of our work teams was working on a roof that was half blown off and covered in tarps. The homeowner was an elderly widow. When the team arrived she advised Mark, our team leader, that she would be making lunch for the team every day they worked there. Mark advised they had packed their own lunches, and the home owner replied; "My roof may leak but my stove still works and this is something I can do!" So the team was treated with a hot lunch and never got their lunches out of the cooler. On the bus ride home, they passed a park where many displaced people from the storm had created something like a shanty town out of boxes and tarps. Mark stopped the bus, and the team ran out and treated those who were truly hurting with a sack lunch. Mark said he could not believe how happy, and hungry these people were. This team worked on this house for three days, and every day they packed a lunch, the home owner made them a meal, and they stopped at the park to share in their good fortune. Except by day two, many of the other teams had thrown their lunches into Marks cooler as well, to be handed out to those in need. Even after that house was done, the bus stopped every day to hand out lunches "left over" from the worksites.

God has a way of meeting our needs when we are obedient in our service to Him. Like loaves and fishes, God took the offering of service and turned into a meal that met the needs of many. ***"Open your eyes and look at the fields! They are ripe for harvest."***

This month we will take 5 days to devote to working on a neighbor's house through an effort called ***"The House of David."*** Our service will not be limited to what we accomplish on the work site, but also in prayers for safety, food preparation in the evenings, and also financial support. We will make a life-transforming difference for one of our neighbors, and God will also make a life-transforming change in us as well. Let us take advantage of this opportunity to put as much energy as possible into this blessing from God. *Amen!*

About David~

David, a person with special needs has lived in this community all of his life. He works part-time at Pizza Ranch, volunteers at Share the Harvest every week during the summer, every winter he shovels snow for all of the elderly on his block and he also volunteers at the community program, Second Helpings, which is housed at the Manchester United Methodist Church. A few months ago, David's friends set up A Go Fund Me account after they learned he had been collecting pop cans for months to help pay for some home repair needs. Manchester United Methodist Church has come along side David and his friends and ask others to join in this mission of love. *Anybody who has ever met David knows of his kindness and gentleness towards life. It is a pleasure to know him and a joy to watch the community surround him with love.*

The Mission~

Manchester United Methodist Church is leading a team of volunteers to help David fix up his home. Currently the living conditions are less than adequate and we are here to facilitate the needed renovations. Issues we plan to fix are: replace siding and roof, and add a small utility room. We are looking to our community for volunteer labor support and financial donations, as we are not fully funded for this project. A local concrete contractor has generously donated the material and labor to pour the foundation for this project. ***We appreciate your support!!***

The work~

Please come ready to use your skills for carpentry, siding, roofing and drywall repair along with your tools and a heart to serve. If you aren't skilled in carpentry but would like to help there are many positions that will need to be filled, please call the church to find out how you can help. We thank you!!

COMMITTEE REPORTS

**Church Council Minutes
Conference Room
June 21, 2016
6:30 p.m.**

Present: Barry Eike, Al Remling, Kathy Waterman, Pastor Phil, Ben Hucker, Bruce Nodurft, Ron Stellick, Randy Waterman, Jim DeKeyser, Janine Stellick, Bill Scanlan, Marianne Sandberg, Jean Gross.

Chairperson Al called the meeting to order at 6:30 on Tuesday, June 21, 2016 in the Conference Room. We opened with the call to worship which was from Psalms 16:5-6. This text from Psalms reminds us that as Christians we have a goodly heritage because we have been blessed by God. We should appreciate what we have as a nation culturally, spiritually and politically as citizens. Our blessings and opportunities are numerous. This is our goodly heritage and we and future generations must not forget or take for granted all that we have.

Prayers and praises were lifted up followed by a moment of silence and a prayer for guidance by Al.

Randy moved, seconded by Bill, to approve the May minutes as written. Carried.

Motion was made by Kathy Waterman, seconded by Bill Scanlan to proceed with the "House of David" local mission project pending approval by all parties. Once approved this will be taking place the end of July.

Barry reminded us of the need for more names on the sign up sheets for the ice cream social on July 20. A reminder after church services in July will help to get people to sign up. Meat donations are a priority but there are other needs also. Please check the hall sign up sheets. Proceeds from this will be going to the fascia project.

UMW will be cleaning the kitchen the end of July after the activities involving use of the kitchen are finished.

Ben reported that worship is looking at upgrading the sound system and the projection system with newer

technology. A capital campaign has been suggested to secure funds for projects that need our attention.

Our church treasurer reported that apportionments have been paid for the first quarter of this year.

Next meeting will be July 19, 2016 at 6:30 in Wesley Hall.

Meeting adjourned at 7:40 p.m. with the Lord's Prayer and singing of the doxology.

Respectfully submitted,
Jean Gross, Church Council Secretary

Registration

Registrations are being accepted for VBS. If you know a child 3-years-old through entering 5th grade, please give them the registration form found on the welcome center at church or have them go to the church website and fill the form out online. We would love to have them join us!

Donations & Prayers

Please check the donation poster in the hallway for items we need to borrow or have donated to make our week a success. If you let us borrow an item, please label it with your name, so we can return it to you after VBS. If you choose to purchase one of the items, please check the size/quantity specified and return the item by the date indicated. If you prefer, you can make a monetary donation and let us do the shopping!

In addition to the supply and monetary donations, you will also find prayer requests on the donation poster. These prayer request forms ask you to pray throughout the month of July for VBS. You will find information about a specific day of VBS. On that day, we ask you to lift up another prayer that the activities and lessons shared will touch the children and all involved with VBS. Your prayers will certainly bless everyone involved!

Mission Project

For this year's mission project, students will again be raising money to ship Operation Christmas Child shoe boxes. It costs \$7 to send each shoe box, so our goal is to raise \$525 which is enough to ship 75 boxes! Help us reach this goal by saving your loose change for the noisy offering to be collected during the VBS program Sunday, July 24th.

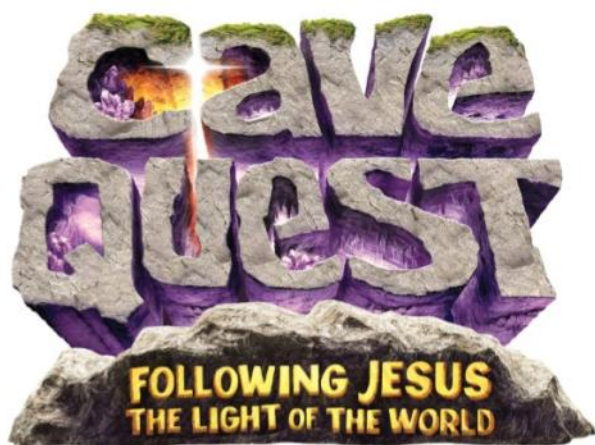

Volunteers

It's not too late to volunteer to help with VBS! We need crew leaders, a photographer, substitutes, and registration table/check out help. Please contact Stephanie Stocks at mstocks@iowatelecom.net or 927-3351 if you are available to help. Whether you can help every day or just one, we would love to have you! VBS training will be held Thursday, July 7th at 6:30 p.m. and Wednesday, July 13th at 9:00 a.m. Station leaders, crew leaders and helpers need to attend **one** of these two sessions.

Program

Be sure to join us Sunday, July 24th during the regular church service for our VBS program. You'll hear and see highlights from our exciting week!

Christmas in July with Operation Christmas Child

Christmas is less than 6 months away which means National Collection Week for Operation Christmas Child is less than 5 months away! Have you started collecting items for your shoeboxes and our packing party?

Our goal is to pack **600** shoeboxes at this year's OCC Packing Party to be held Saturday, November 12, 2016. We have started collecting hygiene items, school supplies, and clothes, but we are nowhere near our goal of filling 600 boxes.

The last two weeks of July and early August are the **best** time to buy **school supplies**. Look for free after rebate offers from Menards plus deep discounts at retailers like Staples, Office Max, Wal-Mart, Office Depot, etc. Don't forget to order SCRIP cards for these businesses before you do your shopping.

School supplies needed include:

Pencil pouches
Pencils (please sharpen)
Pencil sharpeners
Pens
Scissors
Paper/single subject notebooks
Crayons
Markers
Solar calculators

Toys for boys and girls ages 2-4 years and 5-9 years

Hygiene items needed include:

490 bars of soap
463 wash clothes
386 toothbrushes
Toothpaste (must have an expiration date of May 2017 or later)

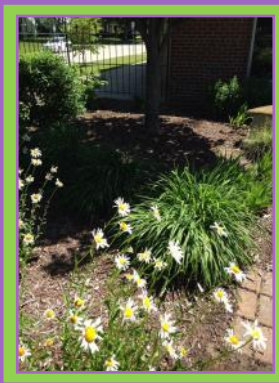

Clothes

T-shirts
Shorts
Socks
Underwear

We are trying to keep track of donations as they come in and will keep you updated as to our progress. Items purchased may be placed in the OCC box in the church library. If you can't go shopping, be sure to save your change for the noisy offering to be held Sunday, July 24th during the Vacation Bible School program. This money will be used to pay the \$4200 needed to ship 600 shoeboxes as we spread the love of Jesus to children around the world!

July – School supplies:

Wednesday: 5:00 - 6:00p, before WOW service

Scrip News

We on the scrip team have had several occasions to learn that people often are not aware of all the options we have. One example: a member recently commented that she buys a lot from [amazon.com](https://www.amazon.com) and Barnes & Noble, and wasn't aware that both of those are available (and they're easy to use)! Another has been buying Fareway and gas cards for local use, but didn't realize she could also get restaurants and stores in nearby cities. So here are some reminders of just some of the gift cards available.

Local eateries. By using MUMC gift cards to dine at these places you help not only our church but also area businesses, so please give them your support! Cards we can get include Burger King, Casey's Pizza, Chuong Garden, Dairy Queen, Fireside, Hardee's, Pin Oak, Pizza Hut, Pizza Ranch, and Subway.

Gas. For local options, we have Kwik Star and Casey's, and we can order BP. At all three of these places your gift card can be used at the pump and you don't even need to go indoors! Just put the card in the same slot that takes credit cards. Some receipts will show the remaining balance; others will just show the amount you spent. It's easy as can be! Of course if you hear the Casey's donuts or the KwikStar cappuccino calling you, you can go inside and use your card to buy those items as well. Anything sold at the convenience store can be purchased with your MUMC gift card - it's not limited to gas.

Did you know that MUMC's scrip program has added an average of \$6100 to the church budget for each of the past four years? Be part of the group that makes that happen - buy gift cards at church!!
