## *A note from Reverend Phil...*

***Jesus answered, "It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God.'" Matthew 4:4***

Recently I spoke with a young man who was very mad at God. That's okay, God is big enough to handle our anger at times, just as God is big enough to see past our other human frailties and respond in grace. But as I listened to the young man's story I could not help but see a pattern. His life has come to a place where the consequences of his life choices are causing him pain. We all probably have a story like that in our own life's history. As we spoke I listened to how each choice led to another choice, and no where along the line did the young man discern God's intent, but only his own desires.

So why now was he mad at God? Because God did not interrupt these consequences and restore him to a place of peace and joy. I inquired if God had stepped in and removed the consequences, would that create a change in behavior? The young man was stunned- why would that be necessary? God is all about love and forgiveness, why can he not just live his life following his own desires? I told him, because that god is one of his own making, not the living God known as the Great I Am revealed in the Holy Scriptures.

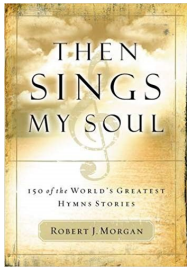

I believe this is the major problem that faces our American church. We have become so self interested, so self righteous, so selfish, that we have created for ourselves a personal god that looks much like us. These are gods of our own making, not the Great I Am revealed in scripture. How has this happened? Because we just do not know or seek to understand scripture as a whole. This is not everyone by any means, but I do believe this ambivalence of scripture is the majority. I will even include many clergy who find God's Word secondary to their priority of their own personal understanding of "social justice."

Church, We are intentionally created by God, saved in grace in Jesus, and mentored in The Way by the Holy Spirit. It is our responsibility to place the energy behind this blessing. This begins by seeking to know our Triune God. This is available to us through God's own self revelation revealed in God's Word. As we learn, grow, and mature into an image of Jesus, where our greatest peace and Joy is known in the things that honor and glorify God. We will joyfully reject the desires of man to pursue God's desire in our lives.

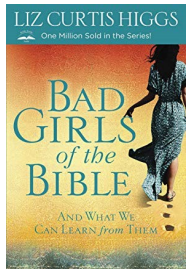

Bible study is best accomplished in small groups where we come together to share our faith walk, ask questions, and seek answers together in mutual love and accountability. We have been successful in our studies together in Advent and Lent. This September we are going to refocus our work on more short term bible studies, making room for all to be involved. Kat, our Church Administrator, has prepared many new short term bible studies for the church to consider and sign up for. They will be available on both Sunday mornings and Wednesday evenings. We will still have our full church focused studies for Advent and Lent. I pray that all will look over what Kat has prepared and will choose to enter into a bible study this Fall.

Peace  
Phil

## Kicking Off This Fall...

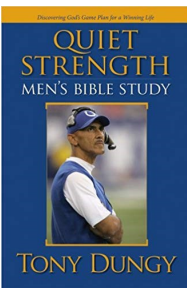

**Then Sings My Soul: 150 of the World's Greatest Hymn Stories** dives into the history behind your favorite hymns. This Bible Study will meet on Wednesday nights, time TBD. Members from the choir can't want to dig into this study. However, you do not have to be in the choir to join. If you have a love for music or you have been curious where the hymns we sing in church on Sunday came from then this is the study for you!

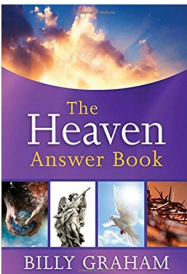

### **Bad Girls of the Bible: And What We Can Learn From Them**

Is a study that reaches deeper into the stories and lives of some of the women from the Bible and how we can relate their tales to our own lives. This is our kickoff study for our women's group. All women are welcome to join us in the library on Sunday's after fellowship.

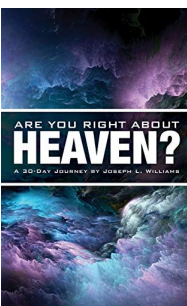

### **Quiet Strength: Tony Dungy**

This book explores six tough questions men ask. Each of the six Bible studies is crafted especially for men, and provides biblical answers, relationship-building discussion questions, fun activities, and character-building insights from the life of Super Bowl XLI Winning Head Coach Tony Dungy. All men are welcome to join this study in the Parlor after fellowship on Sundays.

### **The Heaven Answer Book: Billy Graham & Are You Right About Heaven? (Two Book Study)**

*The Heaven Answer Book* is a biblically based book written in Q&A format with answers to commonly asked questions about our future and final home. Topics include what we'll do, what we'll be, what we'll see, our rewards in heaven, and more. Billy Graham's trustworthy Bible knowledge offers interesting insight and enduring truth about how believers can prepare their hearts for spending eternity with their Maker and Lord. *Are You Right About Heaven* is a 30-day study examining this wonderful place, guided by the best resource we have on the subject—the Bible. MUMC Single Board

July 16, 2019

6:00 p.m.

Wesley Hall

**Present:** Mike Wade, Janine Stellick, Bruce Nodurft, Bill Scanlan, Barry Eike, Ruth Voshell, Charlie Dighton, Mark Reth, Al Remling, Jean Gross, Pastor Phil.

Chair Mark Reth called the meeting to order at 6:00 p.m. in Wesley Hall. Mark also led the board to *Gather in God's Name* which was from Genesis 1: 20-27 which tells us that God is the creator of all things and all of the created things are good in God's eyes. He also read from the *Upper Room* which corresponded with the chosen scripture.

Prayers and praises were lifted up followed by a moment of silence and a prayer for guidance.

**Team Reports:**

**Finance:** Bruce shared the latest Financial Report with the Board. Actual expenses Jan-June with apportionments paid were \$116,132 and actual income was \$117,368 leaving a small surplus balance at the end of June. Bruce shared a letter for the "Brick by Brick" remodeling campaign that will be going out soon. He will be sharing this with our congregation this coming Sunday and a letter will follow. This will also be shared in the Chimes and posted in the narthex. Several people have looked at the membership and friends lists for our church who have financially supported us the last few years as those who will receive a letter. Please let the church know if for some reason someone does not receive one.

**Trustees:** Charlie reported that the parsonage has a new door and the siding will be washed. Storm shelter areas in the lower levels are to be designated and posted. At the recent Trustees meeting the team recommended that our current church offices be changed to the lower east wing. The Youth for Christ room will soon be vacated and that will become Kat's office and workroom for now. The Finance office will be moved to the alternative school classroom area and pastor's office will move into the finance area. A few minor updates such as paint and carpet in one room need to be addressed as well as any rewiring for office equipment.

**Reaching and Receiving:** July 31st is the Ice Cream Social with Julie Porter chairing that. Everyone is asked to look at the sign up sheets in the narthex for food items that still need to be donated as well as workers before and during the social.

**Staff Parish:** Mike presented the most recent copy of Church Closure policies. There were some suggestions made for brevity and it is hoped to have final board approval before bad weather sets in.

**Action Items:** As follow up of the recommendation coming from Trustees many pertinent questions were asked. It is estimated that bringing those rooms up to par may cost around \$5000. Our finance chair generally felt that this would not be an issue as there are some funds already available for remodel work. Pastor and Kat will have to vacate their offices once the remodel starts any way so this is a preliminary step that will need to happen. The Finance office now is very outdated and needs a fresh look. It is the general feeling of the board that this is something that needs to be done pending further information.

Our next meeting will be Tuesday, August 20, 2019 at 6:00 p.m. in Wesley Hall. Meeting adjourned at 8:15. We prayed the Lord's Prayer followed by singing of the Doxology.

Respectfully submitted,

Jean Gross  
Secretary

**June Finance Report:**

Year-to-date budget: \$128, 230

Year-to-date income: \$117,368

Year-to-date expenses: \$116,132

**COLORADO**  
**PEACHES**

***If you haven't had them before, you'll soon find out... or if you want them again, you'll soon remember...***

***"This is the BEST peach you've ever had!"***

For many years now, Backbone Area Youth for Christ has made contact with fruit growers from Colorado who have offered us produce from their orchards as a fundraising opportunity for our ongoing ministry to youth and as a special treat to you. We are pleased to offer you lugs of Fresh Colorado Peaches with multiple ordering options for a more delicious experience.

The fruit is appealing for several reasons. It is hand-picked and tree-ripened in the orchard. It goes from the tree to the box to the cooler in one swift operation. No fruit is picked immature to allow for processing. The result is the freshest peaches available.

*PLEASE SEE BELOW FOR ORDERING INFORMATION (Note our changes in ordering options), call Mike Cantonwine at 563-920-5741 or visit our website at [www.BackboneYFC.org](http://www.BackboneYFC.org) and order online*

The Peaches will arrive early August. Since our grower waits until the best possible moment to pick these completely ripened peaches, we are unfortunately unable to know the exact time of arrival.

*Please print this page, remove the below portion and mail it to the address given with your payment if you are interested in "The BEST peach you've ever had" and helping Backbone YFC reach local area teens.*

As a way to help the Backbone Area Youth for Christ, I'd like to order:

- Full Lugs of peaches at \$40 a lug for delivery\*
- Full Lugs of peaches at \$35 a lug for pick-up\*
- 1/2 Lugs of peaches at \$25 per half lug for delivery\*

**MANCHESTER UNITED METHODIST CHURCH**  
***'Brick by Brick'* Remodel Campaign**

Dear members and friends of Manchester United Methodist Church:

In the early 1960's, the members of the Manchester United Methodist Church committed themselves to the idea of demolishing their current church building and replacing it with a new structure. That new building was dedicated in 1965. It has served us well over the past fifty-four years. The building has remained basically the same with very few structural modifications.

As any property or home owner knows, as time goes by, problems begin to arise. Some minor, others more serious. Such is the case with our current church building. Because of the age of our building and the problems needing to be addressed, a building committee made up of members of the congregation and led by the chairman of the trustees was created. Their purpose was to study these concerns and recommend to the Single Board possible solutions.

After several months of brain storming, dreaming, and discussing ideas with an architect, the building committee brought three proposals to the Single Board for their initial review. After several months of consideration and study, the Board unanimously endorsed and approved one specific proposal, and gave the building committee the authority to make a presentation to the church membership.

After several weeks of publicizing the event, a charge conference was convened in January. The charge conference was led by our District Superintendent. The proposed remodeling project was presented to the congregation and after a period of questions and answers, the issue was put to a vote. The voting members were informed that they would cast their vote in secret and that the Single Board had mandated at least a 70% approval of the proposal. The proposal was approved by an 85% majority.

Before MUMC could move forward with a capital campaign, the remodel project now needed to be approved by a district building committee. It took some time for this to happen, but that committee finally came to Manchester in late April. They met with our trustee chairman, toured the facility, and discussed the remodeling project with him. Being satisfied with the information they were presented, the district committee gave their approval.

So the next step in the process is to raise the necessary funds to meet the construction costs of these approved modifications. The current estimate totals \$532,000. Enclosed with this letter is a form for your consideration regarding how much financial support you are willing to provide now and/or in the future for the remodeling effort. When each of us became members of this congregation, we vowed to support it with our time, service, talents, and finances. Just as those members did in the early 1960s, let us now honor our commitment to provide an improved facility for future years.

Yours in prayer,

Bruce Nodurft  
Finance chairman

## *August Mission*

### *Pastor's Benevolence Fund*

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink. I was a stranger and you invited me in. I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."

-Matthew 25:35-36

Sometimes we run short during the month and need a helping hand to get us through. Pastor's Benevolence Fund allows us to assist those who need help with groceries and gas to get to doctor's appointments.

VBS kids,  
their families, volunteers and the  
congregation, we raised \$765 in  
donations for  
Operation Kid-to-Kid.  
Thank you!

# ***Vacation Bible School***

God blessed us with 59 kids during our ROAR VBS. During the week, the students and volunteers learned how God is good in so many ways even when life is unfair, scary, changes, sad, and good. It is amazing to know that He is with us no matter what!

Thank you to our congregation for opening the doors of our church to the children of the community during VBS. Thanks also to all the station leaders who prepared the lessons and activities, to the crew leaders who built relationships with the kids in their group, and to all the helpers who were willing to do whatever was asked of them.

Our mission project "The First 1,000 Days of Life" collected over \$765 to provide 76 mothers and babies in Zambia with the essential information, nutrition, and help they need in the child's first 1,000 days of life, helping show them that God is good!
