*"Be still, and know that I am God; I will
be exalted among the nations, I will be
exalted in the earth." -Psalm 46:10*

A note from Pastor Phil...

36 Some time later Paul said to Barnabas, "Let us go back and visit the believers in all the towns where we preached the word of the Lord and see how they are doing." 37 Barnabas wanted to take John, also called Mark, with them, 38 but Paul did not think it wise to take him, because he had deserted them in Pamphylia and had not continued with them in the work. 39 They had such a sharp disagreement that they parted company. Barnabas took Mark and sailed for Cyprus, 40 but Paul chose Silas and left, commended by the believers to the grace of the Lord. (Acts 15:36-40)

In Acts 15:36-40 most commentators prefer to look at the positive in this scripture. Because Paul and Barnabas parted company, now there are two ministry teams teaching about the salvation found in our Savior Jesus Christ instead of one. This will cover twice the country and double the people right? This is true, and it is evident that God blessed the ministry of both these ministry teams... But what about the conflict?

In Acts 11 Barnabas went out to intentionally seeking Saul (Who's name is later changed to Paul) so that he could mentor him in faith, and also to bring him safely into the fold of believers. Remember that Saul, a Pharisee, was responsible for many evils done to believers as he was persecuting the early church. Then he had his conversion experience on the road to Damascus in Acts chapter 9. It was Barnabas who sought out Saul, protected him, mentored him, and revealed God's redeeming grace even in one who had done so many evil things. Now they have a young believer named Mark, who had let them down on the first missionary journey but wanted to give it another try. Paul would have none of it- Mark abandoned us before and surely will again. How like Barnabas to say Mark deserves another chance, a redeeming opportunity. But apparently Paul had forgotten all that Barnabas risked for his opportunity of redeeming. Barnabas was willing to risk his relationship with Paul for the sake of grace... Paul was not... So they went their own ways.

General Conference 2016 was supposed to settle all disputes that were so evident in the United Methodist Church. Several plans for our polity- The rules that define who we are and how we act together as United Methodists- were put forth. There was the Simple Plan which was championed by the progressive voices in our denomination, the One Church Plan which was championed by the bishops, and the traditional plan which was championed by the traditional voices in our denomination. The only plan that even made it through committee was the Traditional Plan and it was passed. This affirmed the language around sexuality and marriage that had been our understanding together since 1968. It is important to note here that the debate around sexuality is just a presenting cause of our disease... The true nature of our disagreement is based in the authority of scripture. Is God big enough to bring us His Word that we can trust it so that we can be in relationship with God? Or have we matured as a people to a place where we can improve on God's plan for his people and creation?

Since the 2016 General Conference most American Bishops, and several jurisdictions, and most Annual Conference leaders have openly disregarded our Book of Discipline and have done whatever felt right to them about marriage and ordination. Since Bishops have lifetime appointments, and are only accountable to other bishops, who have agreed not to hold each other accountable, they broke with our covenant together and we have entered into a time of chaos and tyranny. I found a pretty even handed article on the denominational website that does explain much that has happened that has brought us to this place.

<https://um-insight.net/in-the-church/umc-future/schism-in-united-methodism-is-the-ground-level-for-open-deba/>

The Iowa Conference of the UMC is requiring us to do a straw poll to see what our intentions are toward disaffiliation from the "New UMC" or are we going to seek another "Wesleyan Tradition" going forward. There is also a timetable that has been greatly diminished from what was expected so that should we choose to leave we could keep our assets, accounts, and buildings. This is not something we sought, but it is something we must contend with. There will be much more information that will be shared at the Town Hall meetings on October 2nd and October 9th at 11:00 in the sanctuary. The Straw Poll will be immediately after the Town Hall on October 9th and will be limited to in person members only.

In closing I would like to say that throughout this process there was a reformation movement from the traditional voices in our denomination seeking to welcome all into our affirmed understanding of who we are and how we shall be together (our polity) by the 2016 General Conference. They are the Wesley Covenant Association or WCA. When it became evident that we were no longer one people with a supported polity and that a minority in power could "go their own way" the WCA launched a new Wesleyan expression called "Global Methodist Church" that in many ways around worship and theology would be very similar to what we have known as the traditional UMC. There are some polity changes that would insure that what has happened in the UMC would never be able to happen again. As I was explaining things in Single Board one member observed "To remain the same we must change our sign, but to keep our sign we must change." This is a pretty accurate way of summing things up.

Peace

Friends,

As many of you know the United Methodist Church is in a season of turmoil and conflict. To date I have tried to navigate our way where this did not become a distraction of our primary purpose of worship of thanksgiving with Jesus Christ crucified and our eternal hope assured in resurrection. Our hope and prayers have been that the leadership of the United Methodist Church would embrace the rulings of General Conference and seek unity towards a Kingdom vision. At this time we are confronted with being forced into a time of choosing by the conference and denominational leadership.

The Bishop and Cabinet are requiring Manchester UMC to take a "straw pole" of how we feel about disaffiliation from the United Methodist Church. This is not a requirement of all churches but just a few.

With some other developments being forced on the churches within the whole denomination by the leadership we must enter into this discussion and determine who we are, and what is our best way forward based on who we are and pray to become in the future.

We will host two town hall meetings on **October 2nd, and October 9th at 11:00 Am** after Sunday small groups. October 2nd will be informational about what is happening- and a time of discussion identifying who we are. October 9th will be a comparison of the future UMC, and the reform movement that has opened a new expression of the Methodist church called "Global Methodist." Global is a new denomination but has been formed around the core beliefs of traditional Methodism. The straw pole will be taken immediately after the October 9th town hall meeting. This straw pole will be used by our Single Board leadership to determine if we are prepared to go forward with a formal disaffiliation vote from the UMC. Because of the actions of the denominational leadership we are required to take a formal vote before the end of this calendar year, 2022.

It is important that all who call this family in faith their church home attend these meetings to be informed, and all are welcome to share their voice. For the straw vote, only church members are allowed to vote. In an effort to assure integrity, MUMC will not receive new members until this issue is settled.

If you have any questions you can come to the "conversations" at noon on Thursday's or make an appointment to talk to pastor. You may also speak with any of our Single Board leaders.

**MUMC Single Board
September 20, 2022
6:00 p.m. - Wesley Hall**

Present: Kathy Dolan, Sherry Goranson, Bruce Nodurft, Mark Reth, Pastor Phil, Lori Snyder, Wayne Birkenholz, Shirley Davis, Charlie Dighton, Jean Gross.

Mark opened the meeting followed by a guidance prayer from Pastor Phil. The first part of our meeting consisted of Pastor Phil updating the board with a power point presentation of the most recent developments within the United Methodist Church and disaffiliation. There are various reasons this needs to be dealt with sooner rather than later.

Action Item: Motioned by Shirley Davis, seconded by Charlie Dighton to discern the possibility of disaffiliation by having two Town Hall informational meetings after Church on October 2 and October 9 at 11:00 a.m. with a straw poll taken after the second Town Hall. Only members of our church can vote. Motion approved unanimously.

Finance: Bruce reported that our income Y-T-D is \$173,723 and Y-T-D expenses are \$168,181 with apportionments. The cash on hand for the Brick-by-Brick campaign is \$125,095 with August donations of \$1,425.

Trustees: Al Remling's house closed the end of August. The Trust reimbursed us for the property taxes that were paid. Lahr Auctions will have three auctions from the last items removed from his house. The ceilings in both the nursery and Wesley Hall bathroom need to be fixed after water damage. The city will be inspecting the House of David/Rahab House to see what needs to be done before it can be rented. Charlie reported that (2) bathroom renovations on the lowest level of the church will cost \$15,000 which includes a shower and new fixtures in each room.

Worship: The new Building Use Policy was approved as presented with the addition of two signature lines and date lines for those entering into the agreement.

Missions: Rahab House is nearing completion of purchase. The Clothing Closet is adding the first Thursday of the month from 8-10 a.m. to their open hours. December Mission of the Month will be gifts for children at the Stead Family Hospital in Iowa City. The Fall Soup supper monies will be designated for the 'Extenuating Circumstances' fund which families can use to help with expenses during their child's hospital stay.

Reaching: The church Welcome Brochure has been updated for visitors. Pens with the church's name and phone number will be ordered for the gift bags. October 2nd at 3:00 in the afternoon we will go to Sherman's Pumpkin patch for our fall fun day.

Congregational Care: The health clinics will be continued for the time being. The 80+ birthday party was huge success with 33 people served. Entertainment included Duane Philgreen on the piano, a reading by Kathy Everts and a message from Pastor Phil.

Staff Parish: Shirley is continuing to recruit members for her team and is planning a meeting for the first part of October.

There was some discussion on the new budget figures for next year with Charge Conference being on October 9. **Action Item:** Charlie Dighton motioned, seconded by Shirley Davis to approve the budget figures our Finance Team has put together with any needed amendments being approved by Single Board. Motion carried.

Meeting adjourned at 8:30. Next regular meeting will be October 18, 2022 in Wesley Hall.

Respectfully submitted,
Jean Gross, Secretary
